Dull Realty Market in Other
Places, Does Not Extend
To Arlington Heights

A general realty market throughout the Chicago Metropolitan district does not affect Arlington Heights, where real estate sales the past month show the accustomed spring activity. Local people are buying Arlington Heights real estate, many of them for investment. C. M. Behrens of C. M. Behrens & Co., states that many of our people are realizing the opportunities in sound real estate investments and that prices in Arlington Heights are exceedingly low. Mr. Berry of H. Roy Berry attributes the activity in Chippendale to the high quality of that subdivision and agrees with Mr. Behrens about the low prices at which it is being offered to the public. He says, "while there has been no volume in sales throughout the Chicago district, we find that the people who are buying for their future homes appreciate such places as Arlington Hts. and such subdivisions as Chippendale. We are averaging two lots a day."

Henry Kehe, of Krause & Kehe, reports three sales of homes this week to Arlington Heights people. Mr. Kehe says, "Arlington Heights real estate can not any more be classed as speculative. There will be no downward trend of prices here, no matter what takes place in other communities. It is not easy to sell real estate these days, but we are doing it although we find that the people of this village are better prospects than outsiders."

W. E. Meier of the Arlington Realty Co., states, "We are showing our confidence in the local realty market by erecting three homes here that are nearing completion, one of which will be a model home. These homes were originally planned for sale to Chicago people, but interest being shown by local people, may mean that we will not have the opportunity of offering them to outsiders."

All of the local real estate firms report somewhat similar conditions and while there is not as much volume of sales as when Chicago people came here in large numbers, real estate here is showing honest to goodness activity with honest to goodness sales.

There is probably no better example of the strength of the local real estate market than the sale report by C. M. Behrens Co., this week of a lot in Stonegate to A. R. Miller, of Chicago, who will start building at once. Stonegate property is high class and costs real money. John Vail, also of Chicago, has purchased from the same firm, a lot in Lauderhill Terrace, at the corner of Harvard and Vail, expecting to build a home this year.

Henry Flentie, brother of our former mayor, has purchased a lot on the southside and J. H. Aldrich, of Chicago is securing figures now for a residence that he will erect upon a lot he purchased of C. M. Behrens at the corner of Duntun and Vine.

Reports are that G. G. Shephard has purchased of Harry Durr the latter's home at Highland and George.

The model home erected by Arlington Heights Realty Co., will soon be ready for visitors. It is a 6-room brick veneer of the English type and is one of three similar houses that this firm is building. Both of the others will be completed inside of the next ten days. Clyde C. Young has supervised the construction of two new homes for local people, Herman Thake and Albert Rascher. The latter moved into his place last week.

Among the houses under contract by Geo. L. Parker and Son, is one home for Albert Bauer on Wing street. The same firm is completing a home in Colonial Manor for Ira Klockmeister and has the home for Wilbur Klockmeister, of Edison Park, ready for him to move in.

Press Days Put Ahead Next Week

On account of Memorial day, the Cook County Herald will go to press Monday and the Friday papers Wednesday of next week. Those having news to contribute or advertisements will please communicate with the office or send in their contributions accordingly, and oblige.

SEEK TO END SPEED TRAPS

Justices Of The County
Ask Cooperation Of
States Attorney

At the last meeting of the Cook County Justices, Police Magistrates and Constables Association, an invitation was extended to States Attorney John A. Swanson, to attend their next meeting. The purpose being that the Justices want the cooperation of States Attorney Swanson in the protection of the motorists against these so-called speed traps. The Justice Association went on record as condemning the practice of holding up the motorist on false charges and every member was strong for the principle of fair play.

States Attorney John A. Swanson is well equipped to give the Justices much sound advice as he was a Justice of the Peace some time ago when Justices were located in Chicago before the Municipal Court Act, and knows the problems of the Justices and police courts.

Everyone looking for fair play will appreciate the fact that the Justices who are members of this association are heart and soul back of the idea to do away with false and unfair arrests.

The northern part of Cook county is fortunate in that speed traps are not knowingly countenanced by the officials and the traveling motorist appreciates the courtesy that he finds among the motor police of this section of the county.

Union Memorial Day Service Sunday at Methodist Church

A Union Memorial Day church service will be held next Sunday morning in the Methodist church, the Presbyterian and Methodist churches uniting for the occasion. Mr. Billman of the Methodist church will preach the morning sermon, it being his turn this year. Guests of honor will be members of the Grand Army of the Republic, the Veterans of Foreign Wars and the American Legion. The Boy Scouts will also attend in a body. Of special interest will be violin music played by Johannes Koscielnny, formerly of Leipzig. This artist was born in Meuselwitz, Germany, and started playing publicly, doing solo and orchestra work at the age of seventeen, at Aschersleben in the Harz mountains. He studied extensively, completing courses at Bruno Heydrick's Conservatorium, and at the Conservatorium der Musik zu Leipzig, where he studied five years under the great Walter Davison.

Mr. Koscielnny has played as soloist with the Symphony orchestra of Leipzig, and the Conservatory orchestra. He conducted an orchestra of his own, playing at the university town of Jena, near Leipzig. Much of his early playing was done in churches and in religious concerts.

Special music will also be furnished by the choir.

First Open Air Band Concert Draws Large Appreciative Crowd

The first of a series of Wednesday night open air band concerts was held last evening at a decorated and lighted platform in the park opposite the clubrooms of the Arlington Heights Business Men's association, under whose auspices the concerts are given. It was the Arlington Heights school band, made up of picked young musicians from the High and Intermediate schools, in uniforms of cardinal and white, and directed by W. N. Sears, of Barrington, the local band instructor.

A snappy program of lively band music was given, and two or three of the more pretentious compositions. The youngsters gave a good account of themselves and the crowd which gathered along the walk and in the many automobiles clapped and honked their approval. It was a pleasant and fine thing, and more of these Wednesday night entertainments are to follow. The pieces played were a march—"Activity, overture—"Ambition," march—"Normal," march—"College Boy," characteristic—"Mr. Jones" novelty number—"Indian Boy," overture—"Energy," and march—"Military Escort."

BUSY SESSION FOR BOARD OF TRUSTEES

Mrs. Gors Releases Building Contract; Paving For Ridge Avenue

FOUNTAIN TO COME DOWN

Last Monument to Horse and
Buggy Days to be
No More

The Arlington Heights village board got down to real business Monday night when they handled a lot of routine matters. Notice was received from Mrs. Gors that she would be unable to complete her husband's contract on the new village hall. An ordinance was passed for improvements in Ridge avenue, south of Segwalt street. Winter superintendent Kolling warned the board that the present consumption of water is so great that the new well near the water tower should be placed in operation as soon as possible.

All members of the board were present when Mayor Mors called the meeting to order. Minutes of regular and adjourned meetings were read and approved.

The board first took up the request of Mr. Watson that the high tension wires over his property be removed.

In reply to inquiry made of Mr. Larkin, district superintendent of the Public Service Co., the board was informed that underground installation was not advisable, but that the company had pulled in from 800 to 1,000 feet of wire, strengthening it, which Mr. Watson thought would be O. K.

Mr. Skinner was present in the interest of the Pitometer company offered to make a survey of water mains, discovering leaks, etc. He stated that his company had cut down the daily waste of 70,000 gallons at Palatine. Action was deferred until a later date.

The finance committee reported favorably on bills and payrolls amounting to \$1,128.00, as follows: Geo. Parker, ret. of deposit \$22.00; Geo. Parker, ret. on sht. con. \$5.85; Pub. Ser. Co. power \$11.70; Pub. Ser. Co. light \$10.86; Pub. Ser. Co. power \$29.92; Firemen, fire ser. \$18.00; Fairbanks Morse Co. inj. p. \$20.13; Union Paint & V. Co. t. pt. \$36.00; Gasoline \$1.11; C. & N. W. R. park rent \$1.31; School Dist. 25, ret. of de. \$22.00; C. & N. W. R. park rent \$1.00; Valvoline Oil Co. oil. \$23.22; H. Kolling, s. water wks. \$7.50; H. Kolling, night eng. \$47.00; John Clark, night eng. \$23.50; Wm. Heinemann, police \$80.00; Herb. Skoog, police \$100.00; Fred Venz, St. com. \$70.00; Fred Winkelman, labor \$50.00; Chas. Hamann, labor \$45.50; Ill. Bell Tel. Co. service \$18.25; Gamon Meter Co. meters \$243.75; Winkelman T. & B. Shop. \$75.00.

The police and light committee reported that the street lights which had been out of service since the storm had been repaired by the Public Ser. Co. The committee also asked the privilege of removing the fountain, which was granted.

Four electric light poles will be removed on Ridge avenue on the school house property to permit the paving of that street, the wires to be placed underground.

The committee on sidewalks reported the purchase of two carloads of cinders placed on Hickory street, ten gallons of traffic paint. Request of Mr. Vetter for sidewalk grade was referred to Mr. Jenkins.

The committee on public grounds and buildings reported that trustee W. A. Meyer had agreed to draw the plans for a building to house the pump at the new well at the Standpipe in order that contractors could submit bids, which they intended to be ready at the next meeting of the board.

The same committee reported that the old residence on Hickory street, ten gallons of traffic paint. Request of Mr. Vetter for sidewalk grade was referred to Mr. Jenkins.

A communication was read from the City of Evanston asking that the license fee of \$25 paid by the Penn. Oil Co. be returned. Mayor Mors agreed to reply.

The bond of W. F. Neuman for \$2,500 as water rate collector was accepted and placed on file.

A communication was read from Henry Kolling, superintendent of the village waterworks stating that the village consumed 320,000 gallons of water on Monday, the figures being arrived at by the fact that there was used 60,000 out of the tank, a like amount out of the reservoir and the pumping capacity of 200,000 gallons. He asked that the pump near the standpipe be placed in working order as soon as possible in order to guard against a shortage.

A letter was read from the Gors estate advising the board that Mrs. Gors would be unable to proceed with the work on the village hall.

Mr. Carlson, local agent for the bonding house, was given a copy of the letter and instructed to notify his company.

Permits for setting of telephone poles on Kensington road, Park Lane, Derbyshire Lane and May Lane, were granted.

Tulip Beds in Parks Gift of President Of the Park Board

Several beds of crimson Darwin tulips, "Pride of Harlem" are now in their glory in several beds arranged along the parks in the Arlington Heights loop. They were donated to the park board by Henry Klehm, president of it, and were grown by his nursery at Norfolk, Virginia. They are thus American grown bulbs, disproving the belief that all good bulbs must come from Holland.

JOHNSON NEW SCOUT EXECUTIVE

Comes to Northwest Dist.
From South Shore
District

Mr. Johnson, former assistant scout executive in the South shore district of Chicago, is the new scout executive of the Northwest suburban district, who will take over his duties June 15. He takes the place made vacant by the resignation of Mr. Landane, present scout executive, who goes to Bay City, Michigan.

The executive board met Tuesday evening at the office of its president, C. A. Bevans, Des Plaines and voted unanimously to engage Mr. Johnson. The title of assistant scout executive as applied to Mr. Johnson was such in name only as the entire Chicago district is under one chief scout executive. Mr. Johnson had field men under him and is thoroughly familiar with all phases of the work. The board felt that he was especially well qualified to handle affairs at the camp this summer as he has had considerable practical experience in that line of work, having been in charge of other camps.

He was introduced to the executive board by Mr. Spears of the regional office, who highly recommended him. Mr. Johnson will spend some time with Mr. Landane in familiarizing himself with the work here.

Palatine Court of Honor Monday

It has been definitely settled that the district court of honor will be held at Palatine on Monday evening. A large number of scouts are expected to appear before the court for advancement.

The executive board discussed in detail Tuesday evening the finances of the district. Arlington Heights, Palatine and Barrington have paid in full their quota for the present year and two of the towns are now conducting drives for funds for the coming year, with excellent prospects for success. Park Ridge is conducting an independent drive apart from the community chest and Des Plaines may follow somewhat the same method. While there is no surplus, there is every reason to believe that the citizens of the district will rally to the financial support of the scouts the coming year as formerly.

Mr. Spears congratulated the council upon its low cost per scouts which is several dollars less than in the average district, which is about \$15 per scout. The cost for each community should average about 25c a person.

While no official announcements have been made, it is no secret that a permanent camp for the Northwest district is possible and it will probably be opened up next year without the need of any investment on the part of the district council.

Rabbit Industry Started on Rand McDonald Roads

L. H. Hull, of Chicago is opening a rabbit farm upon a large scale on property he recently purchased at the corner of Rand and McDonald roads, Northeast of Arlington Heights. Following the erection of a home and garage, construction work was started upon a rabbit house and other equipment for the purpose of operating upon a large scale. Mr. Hull, who is president of the Chicago Rabbit and Guinea Pig association has built two rows of hutchies and has purchased 150 imported Chinilla rabbits, the best for fur and food purposes. Last year Mr. Hull says there were 277,000,000 worth of pelts shipped into the United States and that with proper tariff, he sees no reason why the rabbit industry can not flourish in the U. S. The Chinilla rabbit thrives best in winter and special protection is required to protect it from the hot weather, which means double ventilated roofs, etc., and which Mr. Hull is

Real Estate Men On Fishing Trip To North Woods

Clyde Young and Fred Coxey, in company with four other friends from Chicago, are on a fishing trip up north so far that they have to travel 160 miles when they want to buy their eats. They are using a canoe and motor to travel thru a chain of lakes that is so wild that the fishermen took guns along for protection from wild beasts. So are the reports that have reached Arlington Heights. They will return Sunday.

'HONOR BRIGHT' TONIGHT AT HIGH SCHOOL

Seniors, Experienced as
Players, to Present
Charming Comedy

Tonight (Friday) is the night of the Senior play "Honor Bright", at the high school auditorium, the curtain to rise at 8:15 o'clock. The Seniors have been working hard to put on a very fine entertainment, and will doubtless attract a full house.

The play is a delightful comedy, with humorous characters and a difficult situation out of which the hero, Dick Barrington, is saved by a charming and capable lady book agent, Honor Bright. There is a triangle, in that Dick is in difficulties on account of a certain professional musical comedy star, "Tot Marvel."

There is Maggie, the cook, played by Alice Becker; Bill Drum, played by the "Snap It Up" musical comedy company played by Joe Werdawatz; Rev. James Schooley of North Platte, Neb.; Dick (Rodewald); Dick's aristocratic mother (Frieda Ellerbrake); Watts the butler (Wallace Mors); the Right Reverend William Carton (Sherman Pate); Peggy Carton, his wife (Agnes Ellerbrake); Annie, the maid (Bessie Friedrichs); Foster, the gardener (Herman McElhose); Mike, the chauffeur (Geo. Schaefer); Wm. Wilton and Steve Brodman as deputy sheriffs; Tot Marvel as the villain.

Mr. Muller, Dick Barrington by Richard Best and Honor Bright herself by Gladys Hetherington.

In the end, though he seems likely to shock and humiliate the family, Dick, we believe will come out all right with Honor Bright's assistance.

Miss Irma Mueller of the English department directs the play. The players have given a good account of themselves in previous productions, and are a refreshing and delightful reminder in store for those going out tonight.

Mothers Take Up Personal Canvass For Scout Needs

By authority of Chairman Wm. Mueller of the Boy Scout council of Arlington Heights, the Parents' auxiliary of the Boy Scouts will also solicit and collect funds for the Boy and Girl Scout budget for this year.

About \$1200 more must be raised to keep the Scout work going. The Scout officers are doing their part. Arlington Heights Troop Number 7, is awarded the Efficiency banner for the entire Northwest Suburban district, which itself is second highest in four states with 105 districts. There is no question as to the magnificent work the Scout work is doing for boys and girls. The officers serve without pay, but there are other expenses.

The following mothers, members of the Parents' auxiliary, will call on each home in the village, in an appeal to put Arlington Heights to the front and keep it there: Mrs. George Petersen, district 1; Mrs. A. McElhose and Mrs. A. T. Chidley, district 2; Mrs. F. Mey and Mrs. Erickson, district 3; Mrs. D. McNally and Mrs. Reznor, district 4; Mrs. A. Mors and Mrs. E. Nier, district 5; Mrs. F. O. Proctor and Mrs. H. Hauer, district 6; Mrs. L. Van Gelder, district 9; and Mrs. Wm. E. Kopplin, district 10.

Wolf To Demonstrate Vac-U-Livree at Retail Dealers Convention

The Wolf Bros. has secured place at the National Retail Coal Merchants Association convention, May 27, 28, and 29, at the Stevens Hotel, to feature their Vac-U-Livree system. This delivery system is dustless. As the coal dealers are more or less troubled with dirt they will welcome this invention of R. G. Wolf. Mr. E. F. Wolf, of Chicago, is going to put on the demonstrations at the convention.

To Break Ground For V.F.W. Hospital

Arrangements were completed for the ground breaking ceremonies that will commence construction of the \$22,000 hospital at the V. F. W. national home for widows and orphans at Eaton Rapids, Michigan, on April 27th, according to an announcement made by Mrs. Bessie Hanken, national president of the Ladies' Auxiliary of the Veterans of Foreign Wars of the U. S.

April 27th, the anniversary of the birthday of President U. S. Grant, observed as Americanization Day throughout the Veterans of Foreign Wars of the U. S., found the national officers of the Ladies' Auxiliary and the officers of the National Home gathered at Eaton Rapids for the ceremony that marked gaining of another object—Bray, North Duntun Ave.

Lutheran Athletic Club to Commence Series Tonight

The Lutheran Athletic club of Arlington Heights is having its first indoor baseball games of the series this evening (Friday) at the grounds of St. Peter's Lutheran school.

The executive committee has appointed the captains and divided off the teams.

Members are requested to report to their respective captains promptly at 7 o'clock tonight.

Big Improvements Going on at High School Grounds

The grounds at the rear of the Arlington Heights high school are being improved under the direction of Herman Garms, chairman of the Buildings and Grounds committee. The clay and debris have been hauled away or leveled and rolled down and a gutter or drain made with a grader across the field at the north edge of what is to be a roadway and parking space on the north side of the building. This will extend as far south on the west as the west entrance. Crushed stone will be applied over the surface.

A cement walk will be laid connecting the east and north entrances.

North of the north driveway will be the athletic field, which is being leveled and surfaced with black dirt and will be seeded.

North Ridge avenue to the west is excavated and graded for a 31-foot pavement, which will enable that side of the grounds to be finished off, and will make extra parking space for those attending games and other events at the school. The paving is just now awaiting the putting in of stub connections for underground utilities for owners of lots on the west side of the street.

The lawn at the school building is a thing of beauty and a joy to the passers-by.

BORDENS BUY TWO DAIRIES AT HEIGHTS

Knaak and Rascher Sell to
Chicago Firm; Start
June First

Bordens, the Chicago competitor of the Bowman Dairy surprised Bowman and others this week, when they quietly slipped into Arlington Heights and purchased for a reported consideration of \$60,000 the Arlington Heights Dairy and the Rascher Dairy. Mr. Knaak and Mr. Rascher refused to make any statement, but it is understood that the change will be effective beginning June first.

Many other rumors are being circulated to the fact that the Bowman interests will not sit idly by and let their competitors secure large routes in Arlington Heights and will put on a campaign of solicitation. In the meantime, the Fessler Dairy are enlarging their route and will hereafter sell pasteurized milk in addition to natural milk securing the same from Barrington, the source used by the Rascher dairy. Stude Bros., are also announcing in this week's issue that they will establish a milk route here.

Mr. Byrd's Language Cards Adopted by Schools of Chicago

Word was received this week by Homer J. Byrd, director of education of Division Two, Cook county schools, and member of the Village board, that his primary language cards have been adopted by the board of education of the public schools of Chicago. These cards were compiled by Mr. Byrd to facilitate the teaching of language in the grades. The adoption of these cards for use in the primary schools in Chicago does not make Mr. Byrd feel bad. He is the author of a series of literary and educational inventions of similar nature, which are published by the A. Flanagan Company of Chicago.

Engage Teacher for St. Peter's School To Start in Sept.

To take the place in St. Peter's Evangelical Lutheran school of Mr. Fred Miltzer, who has resigned to take effect at the close of this year after 56 years of service with this school, the authorities have engaged the services of Mr. K. L. Busse of Clarinda, Iowa, to teach the 3rd and 4th grades, beginning next September.

The children enjoyed and profited by a health lecture in story form, supplemented by moving pictures, given in the assembly hall Tuesday afternoon by a lady representative of the Bowman Dairy company. The children seem to have taken up the ideas enthusiastically as to value of milk in their diet.

Dental examinations were resumed today.

MORS ISSUES PROCLAMATION

President Mors of the Village of Arlington Heights has issued a proclamation endorsing the Veterans of Foreign Wars annual Buddy Poppy campaign. The Ladies Auxiliary to the Veterans of Foreign Wars Post No. 981 will sell these emblems of mercy on the streets of Arlington Heights, Tuesday, May 28th.

MT. PROSPECT VILLAGE DADS HOLD MEETING

A special meeting of the village board was held Tuesday evening, May 21, at 8 p. m. at the village hall with Trustee Her. Noll absent. Mr. Meyn called the meeting to order and there being a number of visitors present first called on those who had complaints to make other matters to discuss.

Dr. Rosenberg who bought the Pohlman homestead on Owen St. and who has spent much time and money this spring in remodeling and beautifying the building and grounds complained very much of dogs and a pony running at large continually and doing much damage to his grounds and plants. The matter was turned over the Chief Mulso for rectifying conditions.

Mr. Coughlin of Borman and Coughlin asked for advice and cooperation of the board in the matter of planting shrubs in the park ways in their Country Club subdivision where they intend spending \$15,000 on one hundred homes. After a lengthy discussion they were assured to proceed with their work of planting shrub shrubs at the rate of five shrubs to a fifty foot lot and the corner lot to conform and the whole block to be uniform. The judiciary committee was instructed to draw up an ordinance to amend the existing ordinance of parkway planting.

Geo. Busse former village collector presented a statement in writing as to what he had turned over to J. P. Moehling the present village collector.

For street marking for parking cars in the business section and for stop line at certain other corners ten gallons of "Black Diamond" paint was ordered from a Park Ridge concern.

Accident insurance was taken for the chief and also the new motor cop with the Mutual Benefit Company for three thousand dollars for each man, and the men themselves taking the sick benefit in connection therewith.

Wm. Scott was awarded the job of cutting the curb for driveways at fifty cents per foot.

The Go and Stop signal question was discussed at much length but no action taken.

Herbert Loesch was appointed as the new motor cop, the board voting three ayes and two nays.

Mt. Prospect Chamber Of Commerce Meets

Wednesday evening the Mt. Prospect chamber held its monthly meeting, transacting routine business as well as making plans for the future. The Board of Directors submitted several matters to the members who in turn ratified their requests.

A letter of condolence to the relatives of the late J. H. Gors, who was treasurer of the chamber, was sent through J. P. Moehling, secretary of the board of directors as treasurer, as well as secretary of the chamber.

The Peddler Nuisance Is With Us Again

The peddler nuisance is again with Mt. Prospect people. There is a way of getting rid of this problem and that is by enforcing the village ordinance on this subject. We suggest to the ladies at home that they ask to see the license of the peddler, and if he has none, call the police on 531.

There are some legitimate peddlers, who have reliable merchandise, but the greater percentage by far, have stuff that is not worth one tenth of what they ask for it. Every time you purchase a commodity from one of these peddlers you are taking a risk, which will mean a total loss to you if things prove wrong, as you have no chance of getting a fair and reasonable settlement for the article.

The two police will be at your service if you desire to help enforce this anti-peddler law. Call them at any time, as you are paying their salaries thru your taxes. They are your employees and subject to your orders. They want to help you as well.

TO THE PEOPLE OF ARLINGTON HEIGHTS:

Tuesday, May 28, has been selected for the annual "BUDDY POPPY" campaign under the auspices of the Veterans of Foreign Wars.

Mindful of the Relief work for which these funds are used, I, P. J. MORS, mayor of the village of Arlington Heights, heartily endorse the drive and ask your liberal support to this worthy cause.

(Signed) P. J. MORS, Mayor.

MEMORIAL DAY PLANS COMPLETE

Parade of Veterans' and
Other Organizations
In the Morning

CEREMONIES AT CEMETERY

School Children to March and
Decorate Graves

Public observance of Memorial day in Arlington Heights will start next Thursday morning, May 30, with a parade, to form at the village hall ready to start at 9:30 o'clock. The line-up of the parade will be substantially as follows: The Chief of Police; the Northwest or Municipal band of Arlington Heights; the colors; the village board; the G. A. R.; the Woman's Relief Corps; the Veterans of the World war and their ladies auxiliary; also veterans who were engaged on the side of the Central powers; the Boy Scouts and Wolf Cubs; the Girl Scout Mothers' auxiliary; the Girl Scouts and auxiliary; the School Boy Patrol, and the children of the grade schools, public and parochial. It is hoped that there will be a goodly delegation of the German soldiers, to give emphasis to the fact of the cordial good will existing between these two leading nations today, America and Germany.

The line of march will be on Vail avenue to Sigwalt, eastward to Evergreen, North to Davis street, west on Davis to Duntun, Duntun to Euclid and Euclid to Douglas where buses will be provided to the cemetery. Local buses have donated their services. Twelve cars will be provided by the Lions club, the G. W. Zander Motor sales also twelve cars, and many others will be available.

The parade will proceed to a band stand to be erected in the cemetery, and there the program will be given. The band will furnish music; a male quartette will sing; ritual services will be given by the veterans' organizations, and the soldiers' graves will be decorated by the school children.

The committee for the day consists of President of the Village Board P. J. Mors, chairman; Superintendent of Schools E. D. Whitmore, secretary; Village Trustees H. J. Byrd and H. F. Muller; Warren Parker and Rev. Allan Billman for the American Legion; A. C. Wilcox and Herbert Towne for the Veterans of Foreign Wars; and Scout Master Fred O. Proctor.

Sub-committees are Mr. Muller, finance; Mr. Byrd, speaker; Messrs. Parker, Proctor and Wilcox, parade; Mr. Towne and Mr. Billman, transportation; and for flowers: Mrs. Chas. Fitzpatrick, Mrs. Otto Bolte and Mrs. Fred Proctor.

Walther Leaguers Hold Good Semi- Annual Zone Rally

Delegates to the Zone rally of the Walther league at Crystal Lake Sunday afternoon listened to a splendid and heart-warming address of welcome given by Rev. Kuehnert, pastor of the Evangelical Lutheran church of Crystal Lake. Rev. Bernard Hemmeter of Chicago also gave an inspirational address. The attendance was excellent, delegates being present from all league units in the zone, and also from a new league at River Grove.

Preparations were made to send delegates to the international convention at Fort Wayne in July.

The social committee of the zone will make arrangements for an old time picnic at Beverly Lake, July 28, the last Sunday of the month. A sacred concert in the church concluded the program for the day.

Mt. Prospect To Have An Elaborate Oil And Service Station

The Wolf Coal and Oil Co. are remodeling the old creamery into one of the most elaborate oil and service stations so far constructed in this part of the state. The wash racks and pits will all be under cover, as well the place for greasing and changing of oil. No buckets or old pans will be used but the old waste oil will flow into a tank and be disposed of from there.

Memorial day Thursday, May 30.

Next Thursday, honor our soldiers, living and the dead.
 Don't forget the Memorial service in the Methodist church Sunday.
 The James Wayman family went to Des Plaines Tuesday to help celebrate the birthday of their little niece, Jean Guenther.
 Miss Inez Ihle went to Chicago with her cousin and friends to attend a dance given by the sorority of Carl Schurz high school.
 Mrs. Charles Sieloff is laid up with a lame foot injured by a misstep off the porch at her home Saturday evening.
 Mr. and Mrs. A. C. Crisler came over from Glen Ellyn last Friday to help his sister to remember her birthday. Mr. Crisler thinks real estate is having a big boom in his town and rents and prices higher than ever.
 Mrs. Albin Flodine entertained a number of her friends to a luncheon party Tuesday night. Reports say they had a delightful time.
 Mr. and Mrs. Wm. Wilke visited cousins at Buckley, about 150 miles south over the week-end. They found it quite as cold there as here. There is a prospect for a good fruit crop, but corn has been delayed in planting and growth because of continued wet. A big snow, six inches fell May 2, and stayed on for a week.
 Our expert worker in gold and silver, Mr. E. H. Breeze has introduced a new line, adding pewter to his list. Mrs. Breeze made a recent trip abroad and secured a number of orders which will keep Mr. Breeze busy for some time.
 Dale, the four year old son of Mr. and Mrs. Verne Wayman, who has been troubled with a weak throat, is to go to a hospital this week for treatment.
 The spring is not a promising one for farmers, even with Farm Relief in the offing.
 Mrs. Peter Mors and her daughter, Mrs. Josie Sieburg, plan to leave here this week for South Dakota, for a trip to stay for two or three weeks.
 Mr. and Mrs. Chas. Kosmin and Mrs. Chas. Dieball returned from an extended fishing trip in the lakes of Wisconsin. They caught the limit each day and when arriving home, counted them and found they had 309 fish of various kinds. Charlie said the weather up there had been very disagreeable all the time.
 Rev. Allan Billman is to speak at an assembly of the public grade, and high schools in Palatine, Wednesday, the 29th on "The Message of the Poppy."
 Fred Mulke, commonly known as Big Fritz, who has the "house on wheels," returned to Arlington Heights Wednesday after spending the winter in Florida. He reports that he passed thru the devastated territory and saw many miles of timber which had been destroyed by the storm. Even trees appeared as though they had been cut off with a knife. The flood district in Alabama was very much damaged and was much worse than what was reported in the press.
 The Presbyterian ladies served a really delicious dinner Wednesday evening to 294 guests. The basement was prettily decorated with lilac blooms.
 The Ladies' Aid of St. John's church will have a good supply of home bakery Saturday, May 25 in the basement of the church. Sale begins at 3:30 p. m.
 Mrs. R. H. Boeger, who has been severely ill for the past week, is reported to be recovering.
 Mrs. John Fredrickson of S. Vail, went to a hospital last week to have her tonsils removed and is at home recovering from the treatment.
 The Five Hundred Club met with Mrs. Arthur Weiss Tuesday afternoon at her home on N. Dunton avenue.
 Mrs. Sanborn from Chicago is the guest of Mrs. Rexford Volz. Her daughter, Miss Florence, is to join her in the Volz home over the week-end.

BUY A POPPY

'Tis not alone that poppies grew, It was the stain of red; Where fell our boys on Flanders field, The dying and the dead. 'Tis not alone for those who died, Today our hearts are stirred, 'Tis for the living who abide, Whose helpless cry we've heard, The poppies grew on Flanders field Drenched in a crimson tide; God help the living, here today, He cares for those who died.
 Mrs. Frank Porter writes to friends here that they are now settled in their new home in Austin. All are well and the children are now placed in the school and doing well.
 The Friendly Class held a social evening in the parish house Tuesday. There were about fifty attending. Of course they made a real party of it. This Friendly aggregation know how to be cheerful and happy while being genuinely friendly, so they do.
 Mrs. Arthur Bouffard and children from Chicago, are visiting her husband's parents, Mr. and Mrs. J. O. Bouffard, this week.
 Saturday, May 18, was the birthday of Mrs. P. J. Mors, in the palatial home of the Mayor Mors family. Held a reception which was in harmony with the beautiful home and surroundings. The guests began to gather at 2 o'clock and from that hour until midnight, the fine spirit of hospitality prevailed. There are a large group of Mrs. Mors old friends who meet with her on her birthday and this was certainly one of the happiest of all for the hostess and the company. The refreshments were generously dispensed and of the very best.
 Thursday Mrs. H. A. Kossack and Mrs. Levi Heap drove to Chicago to visit Mrs. Heap's sister.
 Mrs. Ralph Held entertained some of the little people Thursday to celebrate her little daughter, Dolores's birthday.
 Mrs. R. E. Atkinson of South Pine avenue, has gone to Iowa to visit relatives. Mr. Atkinson will join her later and together they will return home.
 Mr. and Mrs. Fred Bradley drove up to Wisconsin Friday to take her parents, Mr. and Mrs. Young, home, after their visit here.
 Mrs. George E. Hieber from Chicago, was a guest at the Mors party last Saturday. Mr. and Mrs. Hieber plan to come out here soon to live. They will store their goods with their son, George, until their new house is completed, which will not be long since Mr. George Meyer is the builder and doesn't work slow.
 Mr. Cawood, who has been kept at home sick for the past six weeks, returned to his work this week. This was a hard experience for a man with a family and rent to pay.
 Mr. and Mrs. Carl Skoog, parents of Policeman Skoog, and his brother, from Riverside, spent Sunday with their son, Chief Skoog and his wife.
 The ham supper Wednesday evening in the Presbyterian Parish was all that could be an appetizing and wonderful success. Mrs. Lilian Klehm, the new president, and the complete corps of officers and helpers, are to be heartily congratulated on the choice menu and the pleasing service—a splendid success.
 Don't forget Tuesday is Poppy day. Help the Legion, help the auxiliary and remember the proceeds for the soldiers who can no longer help themselves, help our soldiers.
 Women's Foreign Missionary Society of the Methodist church will meet Monday, May 27 at 2:30 p. m. at the home of Mrs. Richard ray, North Dunton Ave.

 Registration for the English Communion service Sunday at the home of Rev. Fricke, 304 Douglas Friday afternoon and evening.
 The German service will be omitted Sunday.
 Rev. Fricke will present for his subject Sunday: "Publish and Conceal not!" This will be a special sermon in preparation for the Mission festival on the following Sunday. The sermon will stress the divinely imposed duty of the Christian church to publish the glad news of salvation to the nations of the world by every means at its disposal.
 The Junior committee has prepared an interesting program for the Junior meeting, Monday, 8 p. m. Come you Juniors, one and all, join our happy throng!
 A special booklet, depicting the missions of Lutheran church in the form of interesting pictures, has been mailed to every family of the church. Several copies of this booklet remain for free distribution Ask the pastors or deacons for your copy.
 Our church will celebrate its annual Mission festival, Sunday, June 2. This is the outstanding religious event of the year and large crowds of worshippers also from nearby towns are attracted to these beautiful services, out of doors. During the morning service at 10, the Rev. Flach of the Children's home of Peoria will deliver a German festival sermon. At 2:30 p. m., the audience will enjoy hearing the missionary message by our colored missionary of Chicago, the Rev. M. Carter. Brother Carter is a splendid pulpit orator and we are certain you will be impressed by his message. The Rev. Zimmer of Norwood Park will bring the festivities to a close by delivering a German missionary sermon. All services will be conducted in the grove of the Old Folks' Home, corner Walnut and Fremont. A large refreshment stand under cover will serve the wants of the folks and the Arlington Heights band will fill up the intermissions with inspiring music. The Community is invited to attend the services of the day.

Among painters and decorators who know varnish, there is no trade name more synonymous with high quality than FLORENE.

They know that not only is FLORENE as good a varnish as can be had for floors, but that it is as good a general varnish as they can buy for woodwork.

FLORENE is light in color; it dries over night, and with ordinary usage, will last for years.

In small cans for household use; in gallon cans for larger jobs—FLORENE is a household varnish and a painter's varnish.

Lost and Found

"S. A. G." means "St. Anthony Guide." St. Anthony is supposed to be the patron saint of persons seeking to recover lost articles. The appeal to him to guide letters and packages to their proper destinations by affixing the cryptic letters to envelope or package—usually under flap or stamp—is quite common.

OAKLAND ALL AMERICAN CAR WINS HONORS IN HUNDRED HOUR TEST

HUNDREDS OF PEOPLE SEE FINISH OF TEST; DRIVER NEAR COLLAPSE FOR LACK OF SLEEP AND FOOD

CAR IS AS FINE AS EVER

Arlington Heights was well represented in the large crowd of people who witnessed the finish of the 100-hour Oakland test at Barrington last Saturday afternoon. The condition of the driver as he was released from the padlock that had held him chained to the wheel was the first interest of the Oakland dealers who were interested in the test. Examination of the car followed and there was nothing to show that it had passed through any grueling test. The lack of solid food for the driver was keenly felt by him, but the car had the appearance that it could have gone another 2800 miles under the same conditions. The driver was chained to the wheel, the radiator and crank cases sealed and the gear lever sawed off at the floor board. The new All-American Oakland Six came to a stop at 2:15 o'clock Saturday afternoon, and one of the first to open the car door was E. R. Williams, manager of the L. W. Roehler Motor Sales, Oakland-Pontiac dealers in Arlington Heights.

It was found that but four quarts of oil and one quart of water had been consumed in the four days, 4 nights and 4 hours of running. The driving was on the streets and local highways of the villages between Mount Prospect and Crystal Lake, and the distance covered was 2879 miles. The gasoline consumed was 142 gallons, and the rate of consumption was 20.27 miles to the gallon. No stop was made during the entire 100 hours.

The new cross flow radiator, which provides an even flow of water through the cooling system, is considered a factor in the steady performance of the new Oakland car.

The driver in the 100-hour run, C. F. Hamilton, was temporarily paralyzed in the left leg and in a very weak condition at the close of the demonstration.

**Your
MODEL T FORD
is still
a good car**

THE Model T Ford led the motor industry for twenty years because of its sturdy worth, reliability and economy. Those same reasons continue to make it a good car.

As a matter of fact, nearly one-fourth of all the automobiles in use today are Model T Fords. Millions of them can be driven two, three and even five more years with reasonable care and proper replacements. Figures show that the average life is seven years.

Don't sacrifice your Model T, therefore, but take it to the Ford dealer and have him estimate on the cost of putting it in A1 shape. A very small expenditure may be the means of giving you thousands of miles of additional service.

For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. This price includes new bearings, reboring cylinders and any other work necessary. Parts are extra.

Valves can be ground and carbon removed for \$3 to \$4. The cost of tightening all main bearings is only \$6. The labor charge for overhauling the front axle is \$4.50 to \$5—rear axle assembly, \$5.75 to \$7.

New universal joint will be installed for a labor charge of \$3. Brake shoes relined for \$1.50. Rear spring and perches rebushed for \$1.75. The cost of overhauling the starting motor is \$3. A labor charge of approximately \$2.50 covers the overhauling of the generator.

It will pay you, therefore, to see your Ford dealer and have him put your Model T in good running order. By doing so you will protect and maintain the investment you have in your car and get months and years of reliable transportation at a very low cost per mile.

BOOSTERS LOSE OUT SUNDAY

**Pitcher Frank Away and
Sunday's Game Turns
Out Poorly**

The Arlington Boosters were minus their good pitcher, George Frank last Sunday, consequently the game was a "joke" as one of the local players said. The Arlington Heights boys lost this time 20 to 5; but as the pitcher sent out from Chicago to oppose the strong Chicago post office team was decidedly not all there as compared to Frank the stand-by, the figures do not mean much.

Frank was in St. Louis over the week-end on business and will be even more appreciated upon his return. Harold Peter was catching as usual.

Last year the Boosters played the postoffice team and lost just two to one.

Next Sunday afternoon at 3 o'clock the Boosters play again on the home, or east side field, the opponents to be the Norwegian Athletic club. George Frank will be back again, so there will be nothing to worry about.

CHRISTIAN SCIENCE CHURCHES

"Mortals and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 19.

The Golden Text was, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Timothy 2:15).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Blessed is the man that trusteth in the Lord, and whose hope the Lord is. For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit" (Jeremiah 17:7, 8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The real man is spiritual and immortal, but the mortal and imperfect so-called 'children of men' are counterfeiters from the beginning, to be laid aside for the pure reality. This mortal is put off, and the new man or real man is put on, in proportion as mortals realize the Science of man and seek the true model" (p. 499).

ELK GROVE LOSE TO ROSELLE

Failing to hit in the pinches and 4 costly errors on the part of Elk Grove lost the game Sunday to Roselle, 7 to 2. Both teams started off with a bang each getting 2 runs in the first inning. Two errors by Elk Grove were responsible for 3 runs, scored by Roselle in the third. Elk Grove failed to hit in the pinches were unable to score. Arnold (Brones) Behrens, hit the ball to get on bases 3 times, at 4 trips to the plate.

Exhibit of School Work to Be Thursday June 6, North School

Thursday, June 6, has been selected as the date for the exhibit of school work of the pupils of the North school. The work will be arranged in the various rooms, and special exhibits will be made of the work of the manual training department. The physical training department and the band are not presenting a part in this program this year because they are engaged in other activities in their respective lines. The band will play Friday afternoon in the parade of the Division One county school festival at Dam Number 1, at Wheeling.

To Give Class Play

Members of the Eighth grade class have chosen for their class play, "The Finer Shades of Honor." Parts have been assigned and Miss Helen Gagstetter is directing the play, which will be presented as a part of the program on graduation day, Wednesday, June 12. Arrangements have been made to present the program at the high school auditorium. The musical features are under the direction of Miss Dorothy Solt, who has charge of the music in the 6th, 7th and 8th grades and Miss Gagstetter.

The boys of the public intermediate school are busily practicing for the graduation track meet to be held next Friday afternoon, May 31, under the auspices of the Maine township high school at their grounds in Des Plaines.

None of the boys attended the marble tournament at Soldiers' field Saturday, being more interested in the ball game at home. A picked team from the different grade schools of Arlington Heights played a picked team from the Mt. Prospect grade schools Saturday on the Arlington Heights north public school field, and beat 8 to 7. Fred Gieseke was pitcher for the Arlington Heights boys and Albert Brodman catcher.

Lectures in story form and supplemented with moving pictures on milk as a food for boys and girls were given Tuesday in all the grade schools in Arlington Heights; 9 o'clock in the South school; at 11 at St. James' school; one o'clock at St. Peter's and 2:30 o'clock for the North school in the community building of the Methodist church. The children were delighted with the presentation.

Instructor John Rolf spent Wednesday with Principal Gustafson at Palatine, lining up next year's work for himself as Mr. Gustafson's successor as principal at Palatine.

Many Attend Friends Night At Park Ridge

May 14, Friends night was another happy evening in our chapter when various stations were filled by the friends of our officers. Acting W. M. Isabelle Stroker of Palatine and Acting W. F. Wm. Schroeder of Providence were escorted under an arch of flowers formed by officers and members of their chapters. They were received in and welcomed by our W. M., Emma Caulfield and our W. F., Walter Wokentien and greeted in song by Clara Kayser.

Eighteen members and officers of Palatine and 19 members and officers of Providence were escorted and introduced. Also 17 P. M., 3 P. P. and members of Grand Chapter committees. After pleasing remarks were heard from the East we gathered in the dining hall for strawberry short cake and coffee.

May 28 stated meeting, June 3, Luncheon and card party. Sister Gussie Miller, chairman.

Arlington High School Girl Awarded Prize For Magazine Article

Second prize in a national competition for a good story based on and true to scientific facts is the honor conferred on Miss Mildred Brockmeyer of the Arlington Heights high school, a former member of Thomas Wilson's biology class and now of his physics class. Miss Brockmeyer wrote the story for a theme in English and later entered it in the contest. There were many prizes and honorable mentions awarded by the "Current Science" magazine, published by the Peabody Teachers' college at Nashville, Tennessee, but this one came in for second place, and appears in the semi-annual issue in which all articles are by students. The editors state that it is awarded the prize for its style that would interest younger classmates in a science story. Here it is: the diary of a pollywog—18 pt italics.

First Week: My! this is a wet world! I wish I could get out on that nice dry ground, but I haven't a single leg to stand on. I suppose I ought to be thankful that I can swim; I can do that beautifully. Still, legs have their advantages. I am proud of my tail, however. I don't see how it could be improved.

My! but I'm hungry! I think I'll wiggle around a bit and see if I can find something to eat. By the way, where is my mouth?

Second Week: What do you think! I was out swimming today, and I lost my gills. I was terribly down in the mouth about it until I spoke to Mrs. Greenfrog. She said it was about time I was losing my baby gills, so I could get a new set. When I heard this I breathed easier.

Oh! I forgot to tell you that I found my mouth and have been eating everything I can find since. I tell you, life looks much brighter now except for one thing. My marvelous tail (the pride of the pond) is getting shorter and shorter every day. Pretty soon I'll not have a tail at all.

Third Week: I learned something exciting today. Mrs. Greenfrog told me I would be a frog when I grew up. I have often watched the frogs leaping and diving off the bank and have wished for a pair of legs so I could do it, too. If ever I am a frog, I intend to go but for all sports. I long to become famous.

Fourth Week: I awakened this morning with the funniest tickling in my sides. It feels as though something were growing under my skin. What if it is my legs! I have outgrown all my clothes, too. I feel so embarrassed beside the frogs. They always look so neat and trim while I usually have a rip in my skin.

Fifth Week: I feel very hopeful today. I believe it won't be long now before I am a frog. Anyway, I have been selected to sing in a chorus for the March Festival, and Mr. Leafyfrog gave my sisters, brothers, and me a lecture on, "Look Before You Leap."

Sixth Week: Would you believe it? I am a frog at last!

Several days ago two tiny legs appeared and kept growing larger and larger. I could paddle around wonderfully with them and I didn't feel so down hearted about losing my tail. Well, yesterday two more legs appeared. I was too weak from excitement to try them out at the time, so I woke up early this morning and tested them. I gave a little spring and the next moment I was sailing through the air. My, what a grand and glorious feeling that first leap was. I landed safely on a lily-pod in the middle of the pond, and I have been practicing ever since. In a few more days I think I shall be able to leap as accurately as the older frogs. And now that I am a frog, I shall be too busy to keep a diary any longer.

George Luerssen And Laura Thake Married Saturday

A very pretty wedding was that of Miss Laura Thake, daughter of Mr. and Mrs. Herman Thake of West Fremont street and George Luerssen, son of Mr. and Mrs. Henry W. Luerssen, 202 West Euclid avenue, Saturday afternoon, May 18, at four o'clock at the home of the grandfather of the bride, Louis F. Magers, 201 West Euclid. Rev. C. M. Noack of St. Peter's Evangelical Lutheran church was the officiating clergyman.

The home was prettily decorated and the ceremony performed under a beautiful floral arch. The bride, in a white satin charmeuse gown, trimmed with lace, carrying a bouquet of lilies of the valley, her veil trimmed with orange blossoms, was escorted to the foot of the stairs by her father, and followed by the maid of honor, Miss Lily Redeker, in lavender satin charmeuse, and Miss Esther Lips in peach satin charmeuse. All the gowns had streamers and shoes to match their dresses, and the lady attendants carried bouquets of sweet peas.

Herbert Luerssen, brother of the groom was best man, and Harry Heinberg and Herbert Thake, cousin of the bride, groomsmen.

Mr. and Mrs. Herman Magers of Bensenville played and sang. After the ceremony, they sang in German: "Everything begins with the Lord."

After the ceremony sixty guests sat down to a delicious dinner, the table with the wedding cake being decorated with a big floral arch, similar to the one under which the ceremony was performed. A second dinner was served about midnight. The happy couple received many rich and beautiful presents.

They are now on their wedding trip, visiting Mr. Luerssen's aunt and cousins in Iowa and South Dakota, having left Sunday morning. They are to make their home in a residence nearing completion on South Dunton street between Rockwell and Fairview avenues.

BOY SCOUT NEWS

Arlington Heights Troop No. 7 Troop 7 Gets Efficiency Banner The Court of Honor which was to have been held in Palatine tonight was postponed on account of school activities and will take place Monday evening next.

It will be held in the Palatine high school gymnasium starting at 8 p. m. Monday, May 27.

Troop 7 will be well represented in attendance and in awards.

There will be special events of interest to scouts, friends and parents of scouts all of whom are urged to attend.

Scouts will assemble at 6:45 p. m. Monday at the American Legion home on Campbell street in uniform. If scouts have no uniform they are expected to attend in civies.

This will take the place of the regular scout meeting for the week and absentees will be listed accordingly.

Turn out and show 'em what you can do, scouts. Let's be there 100 per cent, for Chief Landane will present the efficiency banner, as well as advancement and merit badge awards.

Troop No. 7 gets the banner this time fellows and has set the pace. Let's keep a good thing on the go to better work.

Wolf Cubs will meet as usual at the high school and the Cub Pack leader will be there to work with them.

Time 7:30 p. m. Monday. Step along cubs, at a boy. There will be a hike Saturday. See the bulletin board.

They tell us that Chief Landane is leaving for a larger field of scouting.

Merit is its own reward, but for Chief the reward is extended to something more substantial.

We are sorry to see him go but with the regrets of parting, feel that he has earned all that he is receiving and more.

Boyhood has no stancher supporter and worker than the man who put the Northwest Suburban Boy Scout council to the fore in the nation wide part of the world wide movement.

Bay City, Michigan, may well pat themselves on the back in having accomplished such a move and we congratulate them in their success.

curing of his services. But while they are being congratulated we feel that Chief will be missed as a loyal big hearted friend of boys is always missed.

"Gluck Auf" Chief when the time comes will mean "The latch string is always out to you."

And while we are talking about Chief, let's give some thought to helping those for whom he stands—"Our boys."

The drive for funds is still on and has been taken up by the Mothers Auxiliary to Troop No. 7.

They will be around to see you about some financial assistance for scout work and surely you won't take it amiss.

Its not charity, its not a begging proposition but a heart to heart request for aid to better boyhood and girlhood, better citizens. We'll all be better citizens in helping and they will have better chance through our having helped.

The mothers are working to put the drive across, something like \$1200 is yet to be raised. Won't you do your bit to insure its success? The scouts have a full program for Memorial week.

Starting Sunday morning at 10:45 with the Memorial Sunday service at the Methodist church, with the Legion, the V. F. W.'s and others.

Then the Court of Honor Monday evening at Palatine.

And the Memorial Day exercises Thursday morning.

Will make for some real scouting along civic lines.

For Memorial Day all scouts will assemble at the American Legion home on Campbell street by 8:45 a. m.

The Cub Pack will assemble at the same time and place.

Full uniforms will be worn (with out coats) and a complete inspection will be held immediately preceding the exercises.

Scouts who do not possess uniforms will assemble in civies.

All scouts march with the troop. Camp applications, with the necessary dollar, should be turned in at once or the answer may be "The camp is filled."

Troop 7 will do well to attend the first period in a body. Let's go. This is called to the special attention of scout parents.

Horsemen to Give Free Matinee at Palatine Next Week

Have the automobiles and running horses usurped the regard of the public for harness horses? The horsemen interested in the latter and who are training at the Dean stables at Palatine, are arranging

to give a Memorial day matinee free to everybody to learn just how much interest the general public still has in harness horses. It is planned to hold a similar matinee every Saturday afternoon until further notice. The races will start at two o'clock and will include many grand circuit horses, who will be driven by their owners. "Free gate, good music and free parking," says the management.

POTPOURRI

Of Sense and Nonsense

Vale! Chief! Vale!
The Northwest towns owe you a debt they can't repay. From a hazardous hit or miss affair scouting has become a real advancement program making for full rounded development of body mind and spirit of our boys. We are sorry to see you go. Our loss is Bay City's and Michigan's gain. We are glad to know that the boys somewhere will be getting the benefit of your executive ability in making scouting "go". Our best wishes go with you. Again, thanks for what you have done for us.

One of the broadcasting chains is seeking to arrange for a program including artists from two continents and a joint radio address by King George of England and President Hoover next Thanksgiving. That's news for fans.

Slowly but gradually European

nations are learning that American business methods must supplant time honored bungling. The latest recruit is Austria's new chancellor who scandalized his country by juggling a typewriter over to his office and doing his own typing instead of dictating his letter to a secretary, who in turn redicated the letters to his secretary. The secretary's secretary typed the letters for the secretary who then retyped them and bore them to the Chancellor to sign.

We are often "regusted" with the unassuredness of our country but would any of them be as ignorant as the 28 French deputies who a fortnight ago wrote letters endorsing the claims of a fictitious country before the League of Nations. These men wrote glowing accounts of their regards for Poldavia and some promised that they strong right arms and swords were ready to take action in beloved Poldavia cause. The jokester then published the letters in Europe, for of course there never was such a land and as Poldavia. To make the matter worse the jokester was a French Royalist who sought to show by what ignorance France is governed.

A garage in New York built on a forty foot lot parks a thousand cars without anyone touching them from the time they are driven to the building to the time they are delivered. The cars are parked in 25 stories automatically with no one but an elevator man directing their parking and he does that by pressing buttons. This little 40 foot wide building parks cars that would ordinarily block up the busy adjoining streets for many many blocks. Necessity is certainly the mother of invention.

Some one suggests that they would like to get Hefflin on a prohibition violation, so that he could be padlocked for one year and give the country a much needed rest.

"Only one tenth as many girls are being brot into the juvenile court for drunkenness now as were brot in ten years ago."—Judge Mary Bartelme—Another instance of the utter failure of prohibition.

The Wet Newspapers cornered Chief Justice Wm. H. Taft, in New York and looked for a son of comfort on the prohibition question. The Chief Justice's reply to the wet New York World was that those who preached disrespect of duly enacted laws whether or not they agreed with them were only encouraging criminals. "We shall come thru this crisis as we have thru others even more grave but to do so we must have the effective cooperation of all the forces of the law and of justice," he concluded. Wet papers changed their minds about copying and this did not make news.

Wednesday's Tribune in an editorial flays those who defend a law who no one has any use for. How come then that in the last test in Congress only a few days back only five states voted wet and the other 43 voted dry?

The Literary Digest prints these two items which appeared consecutively in the Boulder News Herald: "Thirty grown chickens were stolen Tuesday night from the ranch of Emil Anderson, six miles south of Longmont, according to the report received at the sheriff's office."

"The congregation of the Second Baptist church will give another chicken dinner tomorrow night at the I. O. O. F. hall."

ANNIVERSARY WEEK COMES TO CATLOW

Ranger To Be Seen in Mystery Story

Again the admirers of canine beauty and talent will have an opportunity of seeing Ranger on the screen at the Catlow Theatre, Barrington, on Friday, May 24, when the popular FBO dog-star will open in his latest production, "The Law of Fear."

The last of his 1927-28 series for FBO, "The Law of Fear," is said to be the most powerful and gripping story in which Ranger has yet been featured. Differing from most dog stories, it has a mystery plot that serves to hold an audience in tense suspense. In the end, only the astuteness of the dog solves what appears to be a baffling problem—identity.

The art of being a thoroughly intriguing jewel thief on a trans-Atlantic liner is ably portrayed by Colette Merton, appearing in support of Reginald Denny in his latest Universal starring picture, "Clear the Decks," which opens at the Catlow Theatre, Barrington, Saturday, May 25. The cast includes Olive Hashbrock, Lucien Littlefield, Otis Harlan, Brooks Benedict and Elinor Leslie. It was directed by Joseph P. Hensery.

The trials and tribulations of a young man afflicted with a decided inferiority complex form the incidents around which the theme of "It Can Be Done," Glenn Tryon's latest, Universal production, which will be seen at the Catlow Theatre, Sunday, May 26. Sue Carol has the leading feminine role and Tom O'Brien, Richard Carlyle, Richard Carle and Jack Egan are seen in prominent parts. Fred Newmeyer directed.

Hula Beauty in Feature Act
Lei-Lei-Hua lends her striking and decorative personality to the greatest Hawaiian troupe on the American stage today, Bell's Famous Hawaiians.

The dusky Hawaiian belle can dance, marvelously, the charming Hula-Hula dance with the nimble grace so characteristic of her people. She is a whimsical little creature, with a heart as light as her feet, as she does her world-famous dance of fascination amid a picturesque South Sea Island atmosphere. Lei-Lei-Hua is a charming version of the "Hula lady." She brings the house down—as nothing has ever done here before! Bell's Famous Hawaiians will come to the Catlow theatre on Monday, and Tuesday, May 27 and 28.

Real News Writers, Real Messengers

Real messenger boys as well as genuine newspaper writers played important parts in the courtroom scenes in "The Bellamy Trial," which comes Wednesday, May 23, to the Catlow Theatre. Montana Bell engaged the newspapermen and when they reported for work at the Metro-Goldwyn-Mayer studio Bell learned they needed messenger boys to "run copy" for them. A Western Union office supplied the demand. Leatrice Joy heads the stellar cast which includes George Berard, Kenneth Thompson, Betty Bronson and Margaret Livingston.

Action Aplenty in "The Leatherneck"
Granting that variety is the spice of life, plenty of the condiment will be found in "The Leatherneck," which will be shown at the Catlow Theatre on Thursday and Friday, May 30 and 31. The background of the picture includes France, China, and Russia.

William Boyd plays the title role of "The Leatherneck," with Alan Hale, Robert Armstrong, Diane Ellis, Fred Kohler, Jiffmy Aldine and Mitchell Lewis in other important parts.

Dorothy Sebastian, recent sensation in "Our Dancing Daughters," plays the heroine of Buster Keaton's new Metro-Goldwyn-Mayer vehicle "Spite Marriage," coming June 1 to the Catlow theatre. She plays a stage star who marries Buster, a tailor, out of spite.

H. W. Meyers Made V.-P. of C.&N.W. Ry.

The appointment of Mr. H. W. Meyers as vice president in charge of traffic, Chicago and North Western railway, effective June 1, is made public today in an announcement by President Fred W. Sargent.

Mr. Meyers, who succeeds Mr. A. C. Johnson, has had many years of executive railroad experience, having been a general officer of the Chicago and North Western since 1906.

Born and educated in Toledo, Ohio, Mr. Meyers as a young man came to Chicago with his parents and shortly afterwards began his long and successful career with the Chicago and North Western, having remained with that railroad continuously ever since. Among the positions he has held is that of General agent at Cleveland, Philadelphia, and Chicago.

During the war, Mr. Meyers acted as chairman of traffic section committee of co-ordination of terminals. Upon the release of the railroads from Federal control, he returned to the Chicago and North Western as freight traffic manager, which position he has held until his present promotion to vice president in charge of traffic.

Mr. Meyers was one of the original organizers of the Traffic club of Chicago, and is vice president of the American Association of Freight Traffic Officers. He is also a member of the Chicago Athletic club, and Ohio Society of Illinois, and traffic clubs throughout the country.

"Alias Jimmy Valentine" Here as Dialogue Film

"Alias Jimmy Valentine," a Metro-Goldwyn-Mayer picture which is a combination of straight movie and dialogue, makes its bow at the Des Plaines Theatre next Sunday.

The new picture, which stars William Haines, was adapted from Paul Armstrong's play of a gentleman safe cracker, "Alias Jimmy Valentine," first produced at the old Wallack's Theatre in 1910, and considered one of the most valuable stage properties of all time. "Lionel Barrymore, Karl Dane, "Big Parade" fame, and Leila Hyams have prominent supporting roles in the new film, which was directed by Jack Conway.

BREWERY FOUND IN WOODLAND

**Officers Confiscate \$10-
000Worth of Equip-
ment**

A "model" brewery, eight autos and trucks and a large amount of expensive equipment and beer were confiscated in a raid late Tuesday in the woods near Fox River Grove. Two men were unloading a truck load of a commercially prepared article used in the making of beer, as Sheriff Sanford of McHenry county and deputies, accompanied by two federal officers struck a trail after being dissatisfied with finding only a small amount of liquor at Ed. Leiza's place near Fox River Grove. The complaint had specified large operations. They found a trail leading out of the lumber yard and into the woods, and a mile and a half into them they came upon a newly-erected building. The two men fled, and no one else was around. The tanks were warm, and evidently the operating crew had left for the day. The truck found was of a certain produce company in a neighboring village also the owners of the land will be looked up for clues so that the illicit manufacturers may be arrested and put over the road. The sheriff, deputies and federal officers worked for five hours, dismantling the equipment, which with the building was estimated to have cost about \$10,000. There were 10 barrels, 8 one-half barrels, and 28 cases of beer, one big tank full, and ready to be drawn, six 500-gallon cases, one large tank, one 1,000 gallon cooling tank, 2 high compression tanks, vats, pumps, a large filter, and numerous packages of the commercially prepared materials for the making of beer. There was even a private electric light plant. The cars confiscated included a Hudson sedan, a Ford sedan, a Ford truck, a Chevrolet truck and two larger trucks. State's Attorney Lumley and Sheriff Sanford are busy putting clues together to apprehend the owners of the outfit. At any rate, the liquor business in these parts has been dealt a heavy blow.

**Auto Club Finds
Sentiment Strong
For License Law**

A growing sentiment for the enactment, in every state, of a law requiring an operator's permit for all motorists is shown by the results of a nation-wide survey just completed by the American Motorists association, in conjunction with The Automobile Club of Illinois. In response to a questionnaire, sent to all state highway commissions, embodying the query: "Do you favor an operator's permit law?" The answers were, almost without exception, in the affirmative. Of the 48 states and the District of Columbia, twenty-six states require no operator's permit. Of these 26 states, the highway commissioners of motor vehicles, in all but four, expressed belief that permits were essential towards highway motor vehicle traffic safety. In eight states legislation is now pending towards the enactment of motor permit laws. The only way in which the fitness or unfitness of a person to operate a motor vehicle can be established, is by an examination of that person. This raises the question as to what per cent are fit or unfit to operate an automobile over a public highway, it is pointed out by St. Mayer, president of the Automobile club of Illinois. "National figures are not available to answer this question," Mr. Mayer states. "A close approximate, however, may be obtained from an analysis of the applications for automobile license permits in the state of New Jersey. The figures show that during 1927 there were 145,494 persons examined for permits and of this number 28,877, or 19.8 percent, were found to be unfit to operate an automobile commensurate with safety and were therefore rejected. Of the number found unfit, 13,013 were disqualified because of their inability to drive, while 15,864 failed in their written test. Hundreds of Thousands Unfit "Accepting the approximate figure of 19.8 percent in New Jersey as being unfit out of 145,494 applicants, by the same standards, this would mean that there are hundreds of thousands of automobile operators in the states where permits are not required that are an actual menace to others on the highways," Mr. Mayer declares. He points out further that in numerous states the courts have accepted the so-called "Dangerous Instrument Act," holding that an automobile is a dangerous instrument. "In the light of the courts decision, thus defining an automobile, it would seem to follow that the operator of an automobile should be properly licensed," President Mayer declares. The national organization, thru one of its affiliated clubs, the Automobile club of Illinois, is cooperating with the autoists, throughout the United States to curb the growing number of accidents and believes that one of the best and most efficacious methods is through the establishment in each state of a permit law for all motorists.

PALATINE HIGH SCHOOL AGAIN STATE WINNER

**Mass Test Trophy In Typ-
ing Goes There for
Sixth Year**

The Palatine high school has been awarded the state mass test typing trophy for the sixth consecutive year. The actual presentation took place last Friday at Normal, Ill., where Miss Evelyn Oltendorf received the silver plaque in the name of Palatine. Miss Oltendorf won first place in the district typing contest and was in Normal that day to take part in the state contest. The mass test was given thruout the state several weeks ago and no information had been received in Palatine of the award to that school, until Miss Oltendorf arrived home from Normal. This trophy will be placed with similar trophies of previous years that tell of the prowess of Palatine in typing. The result of the individual contest of last Friday and in which Miss Oltendorf participated, have not yet been announced. The Arlington Heights high school baseball season comes to a climax tomorrow afternoon, when they play the season's finale on the long lot (east side) against the strong Antioch nine. Memories of several trimmings are still fresh in the minds of the Cardinals, and they are going on the field with a determination to even up past wrongs. Bill Diederich will be on the mound for the locals and probably will make a determined bid to whip the invaders if his teammates give him some support and a few runs to work on. Beat Woodstock Last Thursday the team made their second victory of the series from the rather weak Woodstock outfit by the score of five to three. The game was a comedy of errors, and was decided as it was by a four-run lead that the locals were able to obtain in the second inning, with the aid of three miscues of the visitors, coupled with two solid hits. Glandt went the entire route for the home team, and aside from several holes he packed himself in to, looked like a veteran most of the time.

ELECTRIC WATER PUMPING- For Your FARM.

For day in, day out, all-year dependable water service, electric pumping is the sensible and economical plan. It also assures you of plenty of water for every farm need, including fire protection. And that is important. Your milk cows get all the water they want, and you can have a circulating water system in the dairy barn if you wish.

Electric pumping means a lot in the house, too. You can use water as freely as desired, without imposing upon anyone either for carrying water or making the pump work. An electric pump, operated from central station power lines, gives complete, satisfactory service.

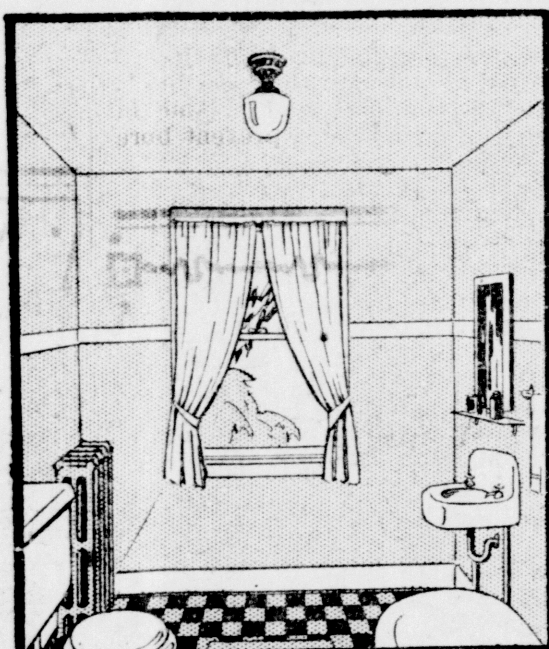

A New Plan for Extending ELECTRIC SERVICE To Farms

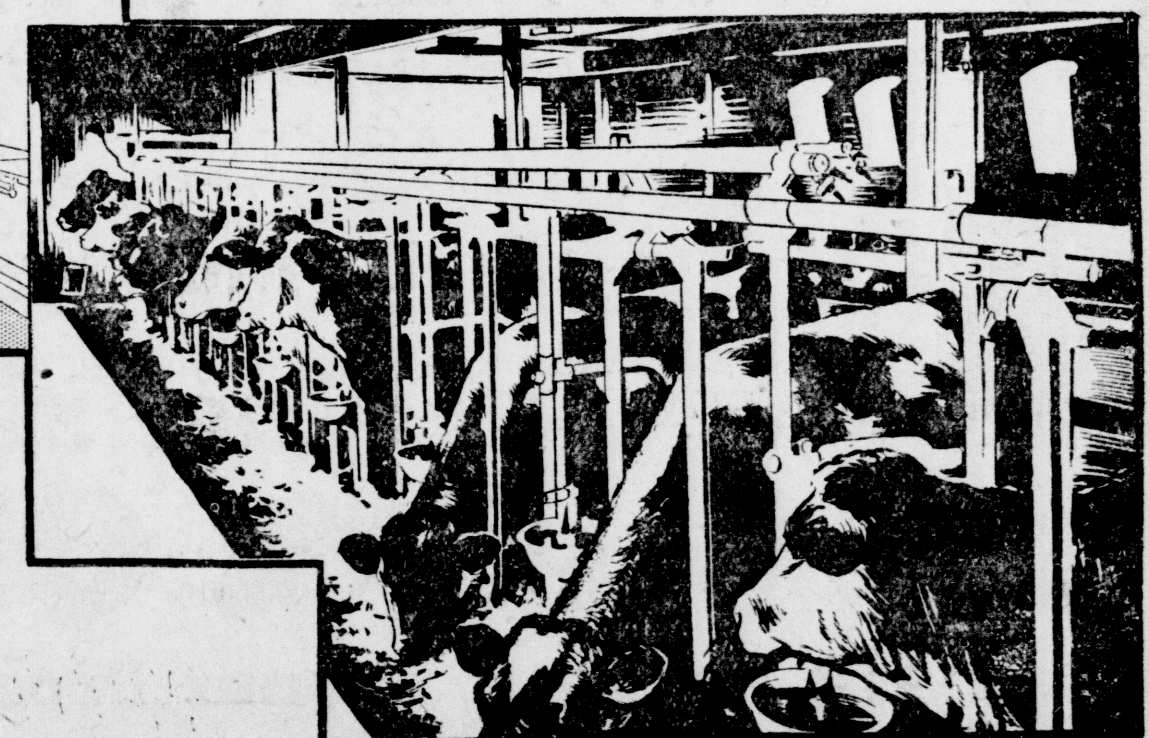

A new plan has been worked out, largely through the advice of farmers, which we believe will hasten farm electrification. A post card mailed to us will bring a special farm representative who will explain complete details of the plan, without obligation to you.

CAMEL CIGARETTES

WHY CAMELS
ARE THE BETTER CIGARETTE

Camels contain the choicest tobaccos grown . . . expertly blended for matchless taste and fragrance.

They have a welcome mellowness and mildness that you will find in no other cigarette. Smoke them as often as you like, Camels never tire your taste.

The quality of Camels is never permitted to vary.

Only a superior cigarette could have won and held world leadership for all these years as Camel has done.

Mt. Prospect Department

The business of Fred Meeske has grown to such an extent that he has found it necessary to put on an additional clerk in the store. Meeske's now have at least five people behind the counter to take care of trade.

We welcome to Mt. Prospect William J. Coughlin and family and also Mr. Boorman and family. Both of these men have been known to us all for sometime, but just recently have they completed their homes and moved here from Wilmette.

Memorial day will again see the regular services at St. Paul's cemetery and the V. F. W. will also take care of its duties on that day.

What have you planned for the garden or your service yard? Let us all find out how the village ordinance reads before we plant things upon village property. Ask someone who knows about this before you do any planting in the parkway. Work in harmony with the village authorities.

We saw a man make a rock garden last week and he used one year's ashes for filling in saving a considerable amount of black dirt and getting rid of the ashes.

The mixed choir of St. Paul's Lutheran church is planning an

outing for Decoration Day. The committee in charge looked over the grounds Saturday.

Ernest Gosch has been taking care of the shrubs and flowers in the small parks and parkways in Cumberland. One carload of Iris was planted there in April.

Alfred Hasz is back with the Lomquist company after trying the city for a week. No dirty city air for him.

A car at the curb without parking lights after dark is a nuisance that is quite prevalent again. Many times a man parks his car while it is still daylight and then forgets about it. Such carelessness endangers your fellow man's life. The chief is in duty bound to nab all offenders. But why should you trifle with some other person's life? The village board very much desires your cooperation in this.

The Amateur night given by the local American Lutheran league at St. Paul's Luth. auditorium was quite a success, the program was enjoyed by young and old, the lunch too, hit the spot. In all every one present, enjoyed this interesting meeting.

On Monday evening, second Pentecost Day Rev. W. Pieper of Des Plaines delivered the sermon at St. Paul's Luth. church.

The Camp Fire girls held their meeting on Thursday evening at the Community hall, the younger members were taught how to tie knots.

Mrs. Helmut Gosch entertained her evening buncle club on Tuesday evening. A very good lunch was enjoyed by all and Mrs. Jahnke received first prize.

Mr. Nolte Sr. met with an accident Monday evening when he fell down the cellar steps, although not seriously hurt, he is badly bruised.

Mt. Prospect To Play At Palatine Sunday

The Mt. Prospect A. C. baseball team will play Palatine next Sunday May 26th at Palatine. Palatine who was defeated twice by Mt. Prospect last year, is said to have improved, so it is bound to be a good game. Len Wuerfel who held Wheeling a six hits will pitch. The battery for Palatine will be Gabbie and Smith.

South Mt. Prospect

Several progressive young families plan to have fine homes with all modern conveniences where they may enjoy all city privileges out in the country on both sides of Mt. Prospect road between Maine and Elk Grove townships. Staede Bros. are building a handsome 8-room bungalow for Edwin Moeller, Jr. in West Maine.

Ernest C. Grimm has bought 20 acres of J. H. Mollenkamp on which he has built modern farm buildings and will operate a model truck gardening farm.

Herman Grim has lot 4 acres on which to establish a florist and hot bed business.

Reason Enough
A real elderly gentleman one day asked "Just what do you contribute your old age to?"

He replied, "Well for the first seventy years of my life there were no autos, and since that time I have been afraid to leave the house."

Did you ever hear of the Scotchman who gave his boy a magnifying glass to look at a worm, when the boy asked him for a quarter to go to see a big snake at the circus.

Thankful
A lovable old lady was once asked, "How is it that you never worry, and are always so cheerful?" "Well, you see it's because I still have two teeth left and they both hit."

Revenge Is Sweet
A little boy who had been suffering from a bad tooth, finally after much coaxing went to pay the dentist a visit. After the tooth had been extracted, he asked the dentist, "May I have the tooth?" To which the dentist asked, "Why?" "Because, I want to take it home, fill it with sugar and set down and watch it ache," replied the lad.

Try This On Grandpa
"Grandpa," said the little girl, "I've just come from the kitchen, and I saw something running across the floor, with out any legs. What do you think it was?" "I cannot guess, my dear," said the grandfather. "Water, Grandpa."

HIGGINS-CANFIELD

Norwood Park had a fair representation at the Walther League rally at Crystal Lake, Sunday, May 19. The meeting took place at 3 p. m. to 5:30 p. m. after a delicious supper was served. We got acquainted and had a social gathering with their fellow members. All had a good time at 8 p. m. Crystal Lake entertained with a social concert. Canfield Walther League meeting and social gathering will be held Wednesday, May 29.

A surprise party was given to Mr. and Mrs. Louis Sass at their 22nd wedding anniversary Saturday evening, May 18, with 125 guests present. The evening was spent in dancing and at cards. Music was furnished by Walter Sass, concertina and Elmer Buch, violin. Refreshments were enjoyed immensely. The party broke up in the wee hours of the morning, assuring everyone of a good time.

Mrs. Eliza Kolze Passes at Elmhurst Hospital

Mrs. Eliza Kolze, wife of Edwin Kolze, died at the Elmhurst hospital Wednesday. Funeral will be held Saturday at 1 p. m. Standard time from the home of her parents, Mr. and Mrs. Robert Knaack, who reside at Marshall Road and Lawrence avenue. From the home, the body will be taken to St. John's church, where Rev. Barth will preach the funeral sermon. The remains will then be taken to Park Ridge cemetery where interment will be made.

Mrs. Mary Harbecke Passed Away Thurs.

On Thursday, May 16, Mary Harbecke, aged 65 years, passed away at the home of her daughter, Mrs. L. Bollman who resides north of Bensenville. Funeral at St. John's church Monday, May 20th at 1 p. m. Rev. Barth officiating. Burial in St. John's cemetery. Deceased husband, H. Harbecke passed away last September and soon afterward the widowed wife took ill and has been failing since until death claimed her last Thursday. The sympathy of the entire community is extended to the bereaved ones.

OBITUARY

MRS. MARIE HARBECKE
Maria Roggenback was born Sept. 26, 1862, in West Prussia, Germany. At the age of 18 she came to America. She was united into the bonds of holy matrimony with the late Henry Harbecke Oct. 25, 1884. This union was blessed with 3 children, 2 daughters and 1 son. Sophia, born Oct. 18, 1885, William, Nov. 15, 1887 and Lizzie, Jan. 15, 1891. Mr. and Mrs. Harbecke first settled in town of Leyden and later in Elk Grove. They lived about 11 years on the Fred Landmeier farm, then settling on the Volberding farm, where they made their home with their son-in-law and daughter, Mr. and Mrs. Louis Bollmann. Mrs. Harbecke endured many hardships in her life. In 1909 her eldest daughter, Sophia preceded her in death and Sept. 28, 1928, her husband was called hence. But she had a good home, her daughter and her son-in-law assisted by a good nurse, gave her the best of care. After many weeks of illness she was called hence into eternity on May 16, 1929, attaining the age of 66 years, 7 months and 20 days.

She leaves to mourn her demise, 4 sons, Henry in Chicago; Fred and Willie on the homestead; George in Colorado; one daughter, Lizzie, Mrs. Louis Bollmann, 13 grandchildren; one brother in Colorado; 2 daughters-in-law, Mrs. Geo. Harbecke and Mrs. Wm. Harbecke; one son-in-law, Louis Bollmann; 2 sisters-in-law, Mrs. Doering in Wisconsin, and Mrs. Walter in Elgin, Minn.; and other relatives.

The funeral was held Monday, May 20, from the home of Louis Bollmann at 2:30 p. m. with services in St. John's Evang. church. Rev. H. L. Barth officiated at the last sad rites. Interment took place in the congregations cemetery.

St. Paul Ev. Church of Mannheim to Celebrate 25th Anniversary Sun.

The St. Paul's Evangelical church of Mannheim will celebrate the 25th anniversary of the founding of their church on Sunday, May 26, 1929.

The first service of the day will begin at 10:30 a. m. Chicago Time at which Rev. F. C. Klick of St. Joseph, Missouri will preach the sermon. Rev. Klick was the first pastor of the church.

At 2:00 p. m. the second service will be held at which Rev. G. H. Goebel of Des Plaines will deliver the message. The Ladies Aid will be addressed at this service regarding their 25th anniversary. The following pastors will also be present: H. Wagner and H. L. Barth of Bensenville and Theo. Gabler of River Grove.

The third service of the day will be held at 8:00 p. m. at which Rev. J. A. Hoefler of Lincoln, Illinois will officiate. He will have a special message for the young people. Rev. F. O. Claussen of Churchville will also speak at this service. Rev. F. W. Krueger who is at present the pastor of St. Paul's Evangelical church has planned the program for this event.

River Grove Pioneer Passes Away

Last Tuesday morning at 2 o'clock the last chapter of a very interesting life of one of River Grove's pioneer residents was closed, when Mrs. Emma Dohman of Maple Street passed away. The deceased had been ailing the past 5 months, the immediate cause of death was heart trouble. Mrs. Dohman attained the ripe age of 82 years being born April 10, 1847. She was known as one of River Grove's oldest residents she being the first person teaching school in River Grove. Among her scholars she counted such well known persons as Mr. and Mrs. Geo. Bell, Philip Schaefer, and others having their school age.

The funeral was held Thursday at 2 o'clock from Warner's Funeral home. Interment at Elmhurst cemetery. Rev. Gabler officiating.

The deceased leaves to mourn, two sons, Albert and William (the aforementioned is a village trustee), eight nieces, and one grandchild.

Falling Worms

While tomandies might occasionally account for earthworms and other creatures coming down with rain, it is more logical to reach a different conclusion. Any of the 40 to 50 kinds of birds which feed on earthworms might carry them to the roofs or eaves of buildings, where they are washed or fall into the gutters and then find their way into the rain barrels.

NORTHBROOK

Mr. and Mrs. Adam Weber, were Sunday dinner and supper guests of the Ira Bubert family. They motored to Arlington Heights, Palatine and to Barrington to visit Mrs. Mary Bubert. A very happy time and delightful trip is reported.

Mrs. Freda Klauer called on Mrs. Lursman of Walter, last Saturday. We are sorry to report that Mrs. Lursman has been very sick. Many neighbors and friends hope for a speedy recovery.

Mrs. Harry Sands and Mrs. Raab motored to Rosehill Monday.

St. Norberts Ladies Aid sponsored a buncle party last Thursday. Among the many prize winners were Father Reichert, Mrs. John Seil, Mrs. Henry Thierrier, Mrs. Nettie Schildgen, Mrs. J. Balsinger, Mrs. Hugel and several others. A very happy time was had. Watch for date of next party, which will be soon.

Mr. and Mrs. Anthony Barro, formerly of Northbrook, are receiving congratulations on the arrival of a baby boy at Waukegan hospital last week.

We are glad to report that Joe Kortman is rapidly gaining strength. Mrs. Irma Griese is staying with the Wm. Griese family and is gaining daily.

Ed. Happ was rushed to the hospital and had to undergo an operation for appendicitis last Friday. Many friends hope for a speedy recovery.

Mr. and Mrs. J. Beck and Miss Dorothy of Glenview, were Tuesday evening guests of the Gerhardt Holste family.

Mrs. Norma Karstetter and daughters, were guests of Mrs. Emily Thierrier Tuesday.

We are sorry to report that Mrs. Janet MacLachlan had sprained her ankle. Many neighbors and friends hope for her speedy recovery.

Mrs. Jean Bartelme has returned from New York after several days as director of Girl Scouts.

Mr. and Mrs. Kelley of Mundelein are receiving congratulations on the arrival of a baby son at Highland Park hospital May 20. Mrs. Kelley was formerly Miss Anna Nielsen of Northbrook.

William Karstetter has returned from Springfield where he spent several days on business for the telephone company.

Mrs. Barbara Levernier has been sick, but we are glad to report that at the present she is gaining strength and on the road to recovery. She has sold her farm and a large "bowling alley" so is the rumor, will be built on the corner of Dundee road.

Mr. Gorr has sold his farm and will occupy his house in Chicago.

Mrs. Grace Ritter spent several days at St. Luke's hospital for observation. Many neighbors and friends hope for her recovery.

Mrs. H. L. Lumsman of Walter avenue is reported seriously sick. Many neighbors and friends pray for her recovery.

Mrs. Dan Klauer visited her father in Chicago Tuesday.

The Presbyterian Ladies Aid will sponsor a plunkett dinner May 22.

Maple school will give a dance May 29.

The vote taken at the Northbrook school Saturday, for the purpose of appropriating a sum for an addition to the school for a gymnasium, 69 for and 15 against.

The Mothers and Daughters banquet given Wednesday at St. Peter's community hall, was a big success. Over 150 people were served a delicious hot dinner. Mrs. Sanger, president of the Ladies Federation, gave an interesting talk. Several mother and daughters spoke and a very pleasant time was had by all.

Mrs. Rose Albrecht of Centre street, was the guest of her sister, at luncheon and bridge, given at the "Columbia Gardens" Wednesday.

Rev. and Mrs. Schaefer have left Portland, Oregon, and expect to arrive here about May 29, to spend several weeks with relatives and friends. Plans have been made to celebrate Rev. and Mrs. Schaefer's Golden Wedding.

Mrs. Lorenz, Miss Mildred Lorenz, Mrs. Nellie Lutter and Miss Lucille Lutter enjoyed the show at the Uptown Sunday.

Mr. Adolph Lutter of Glenview and Mr. William Lorenz motored to Champaign Saturday to spend the week-end with George Lorenz. They enjoyed the ball game and "Student Stunts" an annual affair given by the students. A good show and a very delightful time reported.

We are very sorry to report that Mr. Old's house was destroyed by fire Tuesday. It is reported that an overheated furnace was the cause. Our firemen were there promptly, but as it was a frame house, it burned very rapidly. Many of the neighbors have offered to help them and extend their sympathy for the family.

Mrs. Jessie Studman attended the card and buncle party given by the Ida Saxon Chapter Eastern Star at Chicago Saturday evening. Mrs. Studman was the lucky winner of a beautiful table cloth and enjoyed a pleasant evening.

SCHILLER PARK SUBWAY OPEN ABOUT 20 DAYS

Cement Being Poured On Irving Pk. Improvement

One of the greatest public improvements ever to be consummated in Leyden township is the subway being built under the Soo Line tracks on Irving Park Boulevard at Schiller Park.

This work is rapidly nearing completion, the last steps being started early this week when the first cement was laid for the road under these tracks. The contractor states that the work should be completed by the end of the week, and traffic moving within fifteen or twenty days.

The work on the Lawrence avenue job is also being pushed and before the summer is out both Lawrence avenue and Irving Park Boulevard will be furnishing beautiful and speedy thoroughfares in to the Chicago Loop and Uptown Chicago.

The Joseph Radke family have moved to Gross Point where Mr. Radke is employed at the present. The Wheeling baseball team met defeat at the hands of Long Grove team last Sunday afternoon. The score read 10 to 9 in favor of Long Grove.

Mrs. Alice Utpadel, the Misses Hazel and Lorraine Utpadel and Charlotte Erickson attended the game at the Cubs Park on Monday. The Misses Ida and Edith Levinson called on friends here last Sunday.

Dr. E. E. Gieske suffered an accident while attending some stock last Friday and was confined to his home several days. However he is again able to be out, without the aid of the crutches he found it necessary to use for several days.

One of the stands in the Forest Preserve was broken into, on Monday evening. The fact that the amount of goods taken was not so large, would seem to point to local culprits. The quickest way to riches is a path that draws many. Theft forms much of the pavement

off that path. It is possible that some of our youths are choosing that means? However, before we would convict, it may be well for us, the mature citizenship of the community to stop, look, and listen to the examples we are setting for the younger generation. Is it helpful or is it a sign post toward the lower levels? How many of you parents, you older sisters and brothers, you men of affairs, will step aside from your own interests for an hour or two, a week, to give our youth the sympathetic companionship and encouragement in the higher planes of living which is their just due.

The Messrs. Dr. E. E. Gieske, O. Utpadel, E. J. and F. W. Wellin attended the game in which Cubs defeated Pittsburgh 8 to 6 Tuesday afternoon.

Plans for a tennis tournament to be played off next week are being completed. The tournament will include two classes one to provide for beginners and the other for more advanced players. Further information may be had at the Drug

EAST MAINE

Mr. and Mrs. Henry Koch were host and hostess to a crowd of relatives and friends Saturday evening in honor of Mrs. Koch's birthday anniversary, and an enjoyable time was had by all.

Mrs. Henry Steil received word May 17 of the death of her mother Mrs. Mary Riebert, who passed away at her home in Stetsonville, Wis., following a lengthy illness. Mrs. Steil left immediately for Wisconsin intending to remain until after the funeral which was held Monday, May 20. Mrs. Riebert was well known in this community at one time. Prior to the time that the Riebert family moved to Wisconsin, they lived on the Heinz farm on Milwaukee avenue several years.

Gustave Vehrs entertained a crowd of his young friends May 18, at a birthday party at the home of his parents, Mr. and Mrs. Gehrhart Vehrs, and from all reports a lively time was had by the jolly crowd. No baseball at East Maine last Sunday. Because of the cold weather, Niles Center did not come. It is still rather early in the season and many of the teams of the neighboring towns have not yet completed their lineups.

Another birthday party was held at the home of Mr. and Mrs. Christ Jacks Sunday, when a large number of the Jacks clan and other relatives and friends came to help Mrs. Jacks celebrate. Bunco and cards provided amusement for the crowd and a tasty supper was served in the evening.

The long dreamed of Central high school for Maine township is fast becoming a reality. Work on same has been progressing rapidly and Sunday, May 26, has been chosen as the day when the corner stone of the new building will be laid. The program is scheduled to start at 3 p. m., and promises to be a very interesting one. Miss Frances Wuerst, president of the graduating class of Maine will give the official address and there will be speeches by other Maine students and representatives of the community, the Maine band and chorus will play and sing and everything possible will be done to make this a never-to-be-forgotten event. Everyone in the township is invited to attend.

The closing school program and graduation exercises of the Maine public school are scheduled to take place Friday evening, May 31, at 8 p. m. sharp, in St. Matthews hall. An interesting mixed program consisting chiefly of musical numbers will be presented by the pupils of both rooms. No admission charged and a hearty welcome extended to all.

Remember, May 29, is the big festival for Division Three to be held this year in the Forest Preserve at Morton Grove being a more centralized location than the preserve at Glenview where the festivals were previously held. We've listened in to some of the plans afoot for this great day and it looks as if the teachers, directors and pupils under Mr. Aiken's supervision, are working harder than ever to make the 1929 festival an outstanding one for all time. There will be the usual running and jumping races for the various ages and sizes, and in addition there will be two new races, the balloon race and rolling pin race, both of which promise to be drawing cards. A picnicking contest seems to be drawing the attention of the boys. Then there will be the health contest with entries from each school, a parade at 1 p. m., baseball game, a variety of music furnished by orchestra, band, bugle corps and chorus. This should give you a pretty good idea of what is in store for you who attend the festival. And another thing, a cash prize has been offered to the district having the largest attendance at the Festival the percentage being figured according to the number of pupils in the school. So come on out everybody, help swell the crowd from your district.

Celebrates 83rd Birthday Anniversary

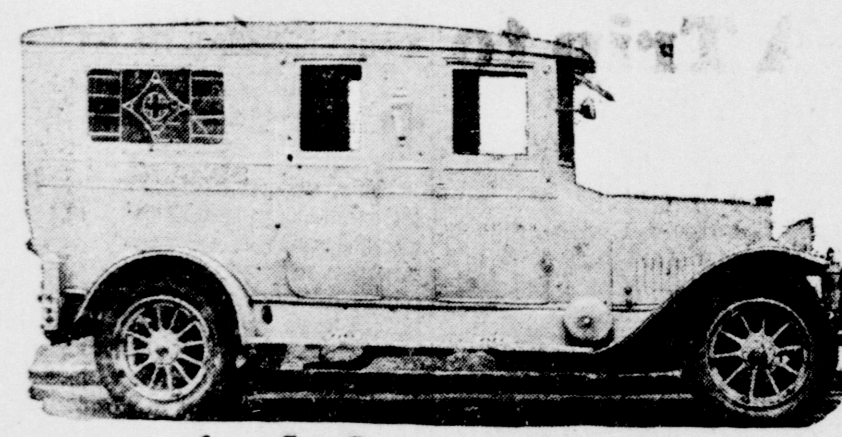

Hale and hearty and enjoying as much as any of the large crowd of relatives present to do her honor, was "Grandma" Koch, graciously presiding at the party, given in honor of her eighty-third birthday anniversary at the home of her son, William C. Koch, of Ballard road, Sunday, May 19. And such a milestone certainly is worth commemorating. Mrs. Koch, with her quiet, gentle ways is endeared to all who know her and no doubt can tell many interesting stories about the growth and development of this section of the country as she has spent many years here.

Al Kvale 'Hi Hats' at Oriental Theatre

Al Kvale, "jester of jazz," has another stage show of hearty laughs, lilting melodies and eye-catching gyrations for Oriental theater patrons next week. He wants all of his friends to be on hand when he puts on his "high hat," filled with the merriest quips and the most whimsical wisecracks of the season. He's calling this ride on a wave of fast fun "Hi Hats." Next Friday marks Al Kvale's third tremendous week at the Oriental theater, and each succeeding stage show has outshown its predecessor. Jannings' characters have always been taken directly from life and, in this story of the Swiss Alps, he has a role which does justice to his wonderful talent for interpretation.

Very important in the picture are two small boys who have roles as Jannings' sons. These characters are played by Douglas Haig, 7, and Jada Weller, 5. Douglas was Jannings' son in "Sins of the Fathers." Jada is a lovable, snub-nosed little boy who gives a surprising performance.

All-Talking Melodrama Comes to Norshore

Willard Mack, celebrated author and actor, brings his own story, "The Voice of the City," to the Norshore screen next week. It is a full-talking drama, alive with each nerve-tightening sight and sound of a great metropolis. It relates a soul gripping, spell-binding love tale of the voice of the city, its vibration of life and love, of hate and fear, of loyalty and double crossing, of romance and beauty.

In addition to a thrilling plot and excellent talking effects "The Voice of the City" boasts an all-star Broadway cast of players, featuring Willard Mack himself, in his talking debut; Robert Ames, Sylvia Fields and John Miljan. Lou Kosloff and the Jazz Collegians will take their audiences on a sight-seeing trip Saturday to "Chinatown." They have concocted a stage revue jammed with original and colorful entertainment, featuring several of the latest jazz tunes played in oriental rhythm. You will have an unusual cast of talented merrymakers, including Norman Prescott, the telepathic humorist, telling past, present and future prophecies.

By DR. JOHN W. HOLLAND
Save up for the "rainy day" or you may get soaked.

History is the record of what we may do if we try.

Temperance is the truest temper of the human temper.

The tattler who tattles to you will tattletale about you.

As between two accusations against a true friend believe the truth of neither.

If hill-tops were only at the bottom, any dillard could succeed.

COMMUNITY FESTIVAL DIV. THREE

Wayside Inn, North of
Dempster St., Morton
Grove, Wednesday

We are all going to this festival
May 29.

We want to see the boys' and girls' races, the best broad jumping in Cook county, the highest jumping in the state for grade pupils, and we hope to see it at this festival. No doubt world's records will not be broken. There will be not only 10 enter the balloon race but you will see about 22 beautiful girls enter their balloons in the race and 22 of the bravest boy pilots enter their balloons in the first race of this kind ever attempted in this part of Cook county. Just think of it, 44 entries in a balloon race and 22 pilots girls and 22 boys not over 8 years of age. It will be done.

Oh yes the next big event is the rolling pin event. In this the girls are trained in the accuracy of throwing the rolling pin. It is useless to state the wisdom of a contest of this kind. Some one said they thought this a good event because it trained the future wife of some men to be so accurate that the furniture would be spared in future contingencies.

Boys and girls under 10 will not run over 75 yards in the races. The program stated 100 yards for all.

Several boys have been practicing the pie eating contest and have asked the director of education to furnish the largest, juiciest, and best berry pies he can find, for this event. You must not fail to see the best pie eater in this big parade.

Who will be the champion health boy and girl in this division? Awards will be made by the American Legion to eighth grade boys and girls in Niles Township who are elected as winners. Health winners and 8th grade graduates will be given awards by County Superintendent Tobin.

An especially big chorus will sing under the direction of Miss Votaw of Chicago. A juvenile orchestra of 150 pieces, directed by Prof. Barndsen, will play; and this will be quite an event of itself. And the greatest little school band will also be present to play.

Then the Big Parade.

What district will win the five dollars for having the most people in the parade according to the enrollment in the school. The Boy Scouts, Boys' Safety patrol, Morton Grove Fire and Drum corps, Parent Teachers' association, Welfare club, Girl Scouts, and other organizations are invited to be in this big parade.

A Drawback

Prominent women and social workers in New York have started a movement to gather a supply of durable toys to be lent to poor children for a stated time, as books are lent by public libraries. The idea is philanthropic, but imagine the feelings of a poor child called upon to give up his durable toy at the end of the stated time!

League of Arts Last Show Tomorrow Night

All roads lead to the new Catholic school auditorium tomorrow night, May 25, when the League of Arts present their last performance of this season. Everyone is invited to attend a show that is anticipated to be the most entertaining of the season. There has been a large sale of tickets in advance and it is the expectation of everyone that the attendance will surpass that of last month by a great deal.

Work on this play started some time ago and now the characters are ready to give you a treat in the form of a three act, rural play called, "Deacon Dubbs." For all purposes the cast is one of the best it is possible to have assembled and by glancing at the list it can readily be seen that such a statement is quite substantial.

Characters

Deacon Dubbs—Mr. C. F. Brown. Amos Colman—Mr. J. Hardy. Rawdon Crawley—R. D. Danielson.

Major McNutt—Mr. E. Bleam. Deuteronomy Jones—E. Kehle. Rose Raleigh—Julia Shadownes. Miss Philomena Popover—Mrs. B. E. Gould.

Emily Dale—Adeline Voelt. Emily Colman—Grace Bartling. Yennie Yensen—Mrs. H. H. Smith.

Roman, tragedy and comedy are intermingled. "Deacon" is exceedingly funny and incidentally the romance that springs up between him and a certain budding, blushing, blossoming, old maid is beyond comment.

In the last act of the play there is a husk-bug accompanied by the familiar sociability. There will be a square dance, singing of rounds, a good old barber's quartette and fiddler. Mr. Stevens, the director of the Glenview Civic Orchestra is the violinist accompanied by Miss Myrtle Gould.

Besides this entertainment the Glenview Civic Orchestra will furnish other music in overture and between curtains. The League of Arts thereby incorporates in its final performance the best all-around amateur talent available.

The show starts at 8:15 and the place is the new Catholic school auditorium. The admission is 50c for adults and children will be admitted at the door for half price. The show is a treat of entertainment that is wholly suited to the tastes of the entire family and everyone who cares for a good home-talent show. Will you be there tomorrow night, May 25, at 8:15 p. m.?

GLENVIEW NOTES

The girls of Glenview will try to make their attendance 100 per cent interested and perfect. All interested in the G. S. work are invited to attend. Glenview troop will furnish a pair of freaks in the persons of Althea Westbrook and Mildred Kehle as tail woman and fat man, respectively, while in the animal section we have Lois Baird as a hare and Virginia Carper as a turtle. Besides these offerings the girls guarantee an interesting stunt. Everyone is welcome. Hawthorne Lodge Estate, May 25, Des Plaines.

Paul Haupt, Emil Riser, Erv. Meierhoff, and Happy Voelt, were among the Glenview people who attended the races at Cedarburg, Wisconsin, Sunday.

Glenview Civic Orchestra will furnish the accompanying music to "Deacon Dubbs," the play to be given by the League of Arts Saturday. They will also offer an overture and entertain with numbers during the intermission. Mr. Jesse Stevens conducts this orchestra, which presented a very successful concert a few weeks ago.

Mrs. Joe Haupt left Sunday night for Wyoming to attend the funeral of an uncle.

Charles Brown celebrated his fourth birthday Monday night.

Glenview chapter of the O. E. S. entertained officers from the Worthy Grand Chapter at luncheon at the Happiness Hut Saturday. After a delicious luncheon, the group proceeded to the chapter rooms in the Glenview school where they held their meeting. Mrs. Rose Scott, and Mrs. Herbert Voelt, were in the hall when the group was beautifully decorated with lilacs furnished by members of the chapter.

The Grand Chapter Officers in attendance were: Mrs. Sarah Daniels, Worthy Grand Matron; Mrs. Louise M. Turner, Grand Marshall; Mrs. Walberg Peters, Grand Adm.; Mrs. Grace W. Englehardt, Grand Mar.; and Mrs. Lee Jonson, Grand Warden.

Monday afternoon the 7th grade pupils of Rugen school entertained the graduating class with a surprise farewell party at the school. The group passed the time with games and popular music, after which a delicious luncheon was served by the girls and their mothers.

The graduating pupils of diploma as will be awarded to Division 3, at the annual school festival to be held May 29.

Rugen school will hold their commencement exercises Friday, May 31, at 8 p. m.

Great Art Collector

It is often said that the late John Pierpont Morgan was the greatest art collector of modern times. His collections were the largest, most varied, and many of them the most important owned by a single individual. He has been compared with Lorenzo de Medici, and it has been said that he surpassed even that prince in the catholicity of his taste.

Lucky Auto Accident

A man, his wife, son, daughter and baby, had a narrow escape from death Wednesday afternoon. The family was on their way from Chicago to Libertyville on a prospective fishing trip. The man was anxious his wife should learn how to drive their new Hupmobile; but she was nervous on meeting so many autos on the road and drove too close to the edge of the road and the car plunged headlong into the deep ditch along Lincoln avenue, about half way from the C. & N. W. Ry crossing and blacksmith and wagon shop. The lady got some bad bruises, the man a bad cut on one leg; but the children in the back seat escaped injury. The steering wheel was broken, so they had to take a taxi back to their city home and postpone fishing until some other lucky day.

Albert Schuler and family entertained a group of relatives and friends at their home Sunday afternoon and evening. Those present were Frank Schuler and family, and Ed. Wohlbrandt and family.

Carl Jarmuth who is recovering from a recent operation visited the Al. Schuler family Tuesday afternoon.

Niles Center relatives helped Mr. and Mrs. Peter Schmidt of Chicago, celebrate their 15th wedding anniversary Monday evening.

The card and bunco party given by the P. T. A. was a success both financially and socially. There were 35 tables of bunco and 21 tables of card players. Many beautiful and useful prizes were given to the winners. The door prizes were won by Misses Carrie Schoenig, Adeline Ide and Mrs. Ortel. The P. T. A. thanks all who helped make the party a success.

Misses Mrs. Edward Steek are now living at the Steek home on Floral avenue.

Mr. and Mrs. Erwin Suckow and son, spent Saturday evening with the William Suckow family.

Vernon Galitz, Evanston, spent the week-end with his grandparents, Mr. and Mrs. W. J. Galitz.

Mrs. Emma Ross called on the E. H. Harms family, Friday evening.

Mrs. A. Butthmann's mother, Mrs. William Warkentien of Tessville, has been confined to her bed the past three months.

A card and bunco party will be held Tuesday evening, May 28, at the Ladies Aid of St. Paul's Lutheran church, in the school gym, Harms and Lincoln avenues. Admission 50c including refreshments and door prize. Everybody is welcome.

Lucky Auto Accident

A man, his wife, son, daughter and baby, had a narrow escape from death Wednesday afternoon. The family was on their way from Chicago to Libertyville on a prospective fishing trip. The man was anxious his wife should learn how to drive their new Hupmobile; but she was nervous on meeting so many autos on the road and drove too close to the edge of the road and the car plunged headlong into the deep ditch along Lincoln avenue, about half way from the C. & N. W. Ry crossing and blacksmith and wagon shop. The lady got some bad bruises, the man a bad cut on one leg; but the children in the back seat escaped injury. The steering wheel was broken, so they had to take a taxi back to their city home and postpone fishing until some other lucky day.
